BIG FOOT

Non-Penetrating Mobile Fall Protection Unit

Part ID: 60060US

Big Foot offers easier portability while allowing work on concrete, TPO, and EPDM. Designed to support three users with one in fall arrest and two in fall restraint, this robust system boasts a gross weight of 750 lbs., nearly half the weight of the Squatch. With enhanced mobility, Big Foot features a convenient jacking mechanism and hoist lifting rings, allowing for effortless lifting and relocation as needed.

BIG FOOT MOBILE FALL PROTECTION
