ZIP FAST WARNING LINE SYSTEM

Warning Line System

When it comes to speed and ease of setup, nothing rivals the Zip Fast Warning Line. Its smooth-rolling cart effortlessly accommodates 20 bases and a continuous 400 feet of warning line. The Zip Fast Warning Line bases can be spaced up to 20 feet apart when employing our Permanent Warning Line System or up to 30 feet apart when using our standard plastic warning line. The Zip Fast Warning Line System is the most budget-friendly solution when considering the cost per linear foot of coverage.
